

MalAcetic ULTRA[®]

Otic Cleanser

- Recommended for cleaning and moisturizing irritated ears
- Formulated for use on dogs, cats and horses
- Acetic acid formula with hydrocortisone and ceramide complex
- Fragrance-free formula
- Antimicrobial/Antiseborrheic/Anti-pruritic

Indications

For support of healthy skin for animals with bacterial and/or fungal otic conditions. Hydrocortisone helps promote relief for itchy ears. Ceramides aid in moisturizing, repairing, and restoring dry, damaged skin.

Active Ingredients

1% acetic acid, 1% hydrocortisone, 0.15% ketoconazole, ceramide complex.

Acetic acid-based formulation provides these benefits:

- Cleansing, drying, and acidifying
- Degreasing and deodorizing
- Balances skin surface pH making it unfavorable for the overgrowth of fungus/yeast
- Ceruminolytic, keratolytic, keratoplastic, and antimicrobial actions¹
- Hydrocortisone provides anti-pruritic and anti-inflammatory properties.
- Ketoconazole provides antifungal properties.

Comprehensive skin lipid complex includes Ceramide 3, Ceramide 6 II, Ceramide 1 and phytosphingosine and cholesterol. Ceramides aid in moisturizing, repairing, and restoring dry, damaged skin.
