

PANCRESORB™

PANCREATIC ENZYME CONCENTRATE

Pancredorb™ pancreatic enzyme concentrate is indicated for use as a digestive aid in replacement therapy where absorption of protein, carbohydrates, and fat is inadequate due to exocrine pancreatic insufficiency (EPI) in dogs and cats. Available in powder or tablets for easy administration.

- Porcine origin sourced in the USA
- Gluten free
- Contains lipase, protease, and amylase
- Powder form to be administered with food
- Tablet form to be administered orally prior to each meal
- Powder includes 1/4 teaspoon scoop
- Manufactured in an FDA-approved facility

MPN	PRESENTATION	SIZE
21295413	Powder	4 oz
21295414	Powder	8 oz
21295412	Powder	12 oz
21295415	Tablets	100 ct
21295416	Tablets	500 ct

POWDER & TABLETS: Mix **PANCRESORB™ POWDER** with moistened meal prior to feeding or administer **PANCRESORB™ TABLETS** immediately before meal.

Refer to label or insert for precautions, warnings, dosing, and administration information.

Store at a temperature between 15°-30°C (59°-86°F). Keep lid tightly closed.

VITAL TO YOUR PRACTICE

PANCRESORB™ POWDER

DOSAGE AND ADMINISTRATION: ADMINISTER WITH EACH MEAL.

Dose is estimated according to the severity of the condition and weight of the animal. Once clinical signs are controlled, dose may be reduced to lowest effective dose.

Add to moistened pet food (canned or dry) prior to feeding. Thorough mixing is necessary to bring the enzymes into close contact with the food particles.

After mixing, let stand at room temperature for 15-20 minutes (minimum).

WARNINGS: For animal use only. Not for human use. Keep out of reach of children.

CAUTION: Federal law restricts this drug to use by or on the order of a licensed veterinarian.

Discontinue use in animals with symptoms of sensitivity. Oral and/or tongue ulceration may occur at higher doses. Ulcers typically resolve with a reduction in dose or slight dilution of product with water.

AVERAGE DOSE/MEAL:

Dogs: 3/4 – 1 teaspoon

Cats: 1/4 – 3/4 teaspoon

CONTAINS	UNITS
Lipase	71,000 USP
Protease	388,000 USP
Amylase	460,000 USP
